Presenter: Mike Mattos

RTI is a way of thinking about how educators can ensure each child receives the time and support needed to achieve success. For RTI to be effective, work must be shared among collaborative teacher teams and schoolwide teams. Together, the entire school assumes responsibility for the learning of every student. This workshop will help AEA staff understand RTI and how they can support schools in this process.

GRANT WOOD
AREA EDUCATION AGENCY

Grant Wood Area Education Agency extends equal opportunities in its employment practices, educational programs and services, and does not discriminate on the basis of color, gender, race, national origin, religion, creed, age, sexual orientation, gender identity, marital status, disability, veteran status or as otherwise prohibited by law.
