Dec. 6, 2018

March 7, 2019

April 17, 2019

Coaching opportunities with a one-on-one principal coach will be provided throughout the school year.

The Grant Wood AEA Principal Leadership Program is a comprehensive, year-long professional development program for preK-6 principals. It will build a principal's capacity to successfully implement MTSS at the school level. This program will include job-embedded coaching in addition to workshop learning sessions.

Outcomes:

- Develop a deeper understanding of the high-leverage actions that instructional leaders use to improve instruction and increase capacity for instructional leadership across all levels of the system (leader of leaders).
- Use the components of the Self-Assessment of MTSS Implementation for Schools (SAMI) as a tool to identify and prioritize systemic needs.
- Use both quantitative and qualitative data to identify problems of student learning, problems of both instruction and leadership practice and determining data driven decisions.
- Develop expertise in using inquiry to solve complex problems of practice.
- Give effective feedback to teachers as an integral part of professional learning and support for teachers.
