

# FAMILY & EDUCATOR PARTNERSHIP (FEP)

## Who We Are

The FEP, started in 1984, provides a unique opportunity for parents and educators to build partnerships to improve educational programs for children and young adults with special needs.

Modeling an effective collaborative partnership, the FEP is staffed by a family coordinator who brings the perspective of a parent with a child having special needs and an educator coordinator who brings the perspective of an educator. Each of Iowa's Area Education Agencies (AEAs) employ these staff to guide the program within the AEA. They collaborate directly with parents, local education agencies, and agencies outside the educational system.
